### James K. Polk Presidential Car Road Number 1845-1849

This 40' standard box car with plug door and no roofwalk is car #15 of a 44-car series representing each of the presidents of the United States. It bears the portrait of our 11th president, James K. Polk. The car comes with a commemorative pin replicated from that era. Committed to geographic expansion, Polk was responsible for the second-largest expansion of the nation's territory by securing the Oregon Territory. He then purchased 525,000 square miles in the southwest through the Treaty of Guadalupe Hidalgo that ended the Mexican-American War.

**Oath of Office Trivia Contest Question:** Which President was the only President to have their wedding ceremony held in the White House and was the sixth cousin once removed of Ulysses Grant?

\*All answers must be submitted by email to [mtl@micro-trains.com](mailto:mtl@micro-trains.com) by the 15th to be eligible.
